

MEMO FOR DCI

7 Jan 80

From: [redacted]

25X1

1. Subject to your approval, I have scheduled a lunch for you on Wednesday (1230-1330, 9 Jan) with [redacted] and [redacted] other CTs. This is the class which began last July and which will end around July of this year. I gather from talking with [redacted] that they are surprised (but very pleasantly so) that you agreed to meet with them. They have no axes to grind or any specific format, but rather just intend to have a free-flowing conversation.
